Auto Clubs, Museums and Friends of the Automotive Hobby

AutoNetNewEngland ([www.autonetnewengland.com](http://www.autonetnewengland.com)) has been created to bring together the many diversified automotive oriented people, clubs and museums throughout the New England area.

Our focus is on events in New England or within a days drive, nearby states and Canada.

Auto Net New England presents an opportunity to keep members of various organizations, as well as the automotive public, informed and up to date on activities taking place in our part of the country. Let us help your organization spread the word.

Many enthusiasts look on the first half of the 1900s as the Golden Age of American Automobiles. These are the years that are featured here.

AutoNet New England offers a Free link to your organization's web site, event or fundraiser. Just eMail your link to the address highlighted below. If you have a logo we will put it in the left hand column on the front page and make it your link.

If your link is already listed, please check for it's accuracy. If it needs to be updated, please send us an email to: [fixlinks@autonetnewengland.com](mailto:fixlinks@autonetnewengland.com).

Our goal is to bring together everyone who enjoys the automotive hobby, so visit us often for the latest events and news

Please have patience as this site develops. Suggestions and comments are welcome.

Keep your foot in it,

Chief Gearhead
